COMMUNIST PROPAGANDA EXHIBIT

1. The Communist Propaganda Exhibit an integral part of the Communist Phase of Basic Orientation, will be shown on Thursday, 26 January, in the Recreation and Service Building, between 1300 - 1420.
2. The purposes of this Exhibit are as follows:
 - a. to indicate the extensiveness of the Communist propaganda effort
 - b. to show the variety of media used and to help students recognize such media
 - c. to illustrate Communist propaganda efforts to obtain specific action and to indicate to students some of the current Communist propaganda themes, tactics, and objectives
 - d. to indicate that the United States is engaged in anti-Communist propaganda activity.
3. Begun in June of 1953 with propaganda material displayed on three tables, the Exhibit has expanded until today it includes the following:
 - a. a short film with a sound track prepared by OTR showing the quantitative propaganda effort of the Guatemalan Communists prior to the overthrow of the Arbenz regime
 - b. 50 Communist posters and a few anti-Communist posters
 - c. 50 photographs of meetings, parades, riots, etc.
 - d. Exhibits showing Communist propaganda techniques for influencing action
 - e. recordings of recent Moscow broadcasts in English
 - f. four tables of periodicals arranged by source: USSR government; C. P.; Satellite governments; and Front groups.
